Good Afternoon Parents, Staff and Community,

The staff of NSS and Palliser have been planning the back to school for our location for Monday, January 10th. Safety will be our main concern. All cleaning and safety protocols will be followed. The delivery of masks and rapid tests are anticipated but NSS is not aware of a delivery date at this time. Families need to ensure that students arrive on January 10th without symptoms and have a [medical grade mask](#) ready to use. Everyone is asked to use the [COVID-19 ALBERTA HEALTH DAILY CHECKLIST \(FOR CHILDREN UNDER 18\)](#) each day to monitor wellness. Please keep your students home if they exhibit any of these symptoms.
