### National Sport School

#### New Athletes Open House:

Attend our open house to learn about the unique benefits of our school, the Palliser School Division, and our eligibility requirements for enrollment in 2023-2024. The National Sport School is for families of developmental and competitive athletes who wish to excel in high school and sport. We understand and accommodate the unique needs of student-athletes. Students are able to learn and thrive outside the traditional school setting and achieve a high school diploma while still pursuing sport.

For more information click [here](#).
