The National Sport School is for families of developmental and competitive athletes who wish to excel in high school and sport. We understand and accommodate the unique needs of student-athletes. Students are able to learn and thrive outside the traditional school setting and achieve a high school diploma while still pursuing sport. For more information click [here](#).

Once again NSS is collecting winter wear for the Jacket Racket until **Thursday, November 3rd**. We can accept winter jackets, snow pants, hats & mittens. These donations will be distributed to schools where there is a need. We kindly ask that donations be clean and in good condition. There is a box for donations at the main office.
