

Bulletin #18 January 17, 2023

Important Dates:

January 17 – Parent Council Meeting 6:30pm – 7:30pm

January 19 – 27 – Diploma Exams

Parent Council Meeting – Dr. Brian Benson

On Tuesday, January 17th we will hold our regular Parent Council meeting from 6:30 – 7:00pm. At 7:00pm, Dr. Brian Benson will be here to present ‘Concussion in Sport’. All parents are member of the Parent Council and welcome to attend.

SAIT Open House:

Our event is back on campus on Feb. 11 from 10:00 am – 3:00 pm where you can learn how a SAIT education will give you a competitive edge and get all the answers to your questions.

Explore the campus through general and program-specific tours and see state of the art facilities that replicate real-work settings.

Get industry insight from our instructors and discuss possibilities with academic experts and advisors at our info fair.

Discover why SAIT students learn a better way and graduate career-ready with in-demand skills at our career planning workshop.

Students can submit an application on the day – application assistance will be available. Please be ready with a MyAlberta Digital ID and a credit or debit card for application payment.

Schulich School of Engineering

You probably know that engineers build bridges. But do you know that they also code software? Investigate new ways to bring clean water to communities? Design medical devices that are improving our quality of life?

Join us for a **free and fun** annual event designed to introduce grade 10 and 11 girls and non-binary youth to the exciting world of engineering! Students will learn more about the diverse array of engineering disciplines available and get a "day-in-the-life" experience of what it would be like to study at the Schulich School of Engineering.

We are thrilled to host this event in-person for the first time since 2020.

This engaging day includes:

- Interactive engineering demos
- Engineering design challenge
- Department fair
- Keynote speaker
- Free lunch

Date: Thursday, February 23, 2023

Location: Schulich School of Engineering, ENC 70 (Engineering Block-C)

Time: 8:30 a.m. to 3:30 p.m. MST, registration opens at 8:00 a.m.

Women in Engineering Day requires a teacher (or school sanctioned chaperon) to attend the event with the students. Please register the primary contact from your school. You will be sent a separate link to register your student attendees.

We look forward to seeing you there,

The Schulich School of Engineering
