  - Bike a thon 12 teams 111 riders. Looking for sponsors/donations. May 12 7am-7pm donors names on the shirts.
  - Winsport has requested kids lunch around the corner at the old tables and chairs. Parents need to write to Phil Graham. This doesn't sit well. Kids are there for 25 minutes a day. Winsport feels like the kids are taking away from others going to the cafe. 4 people one day and 6 people another day. Created a menu for the kids but made our kids eat around the corner. Haven't taken away from public business.
  - Enrolment for next year is really good. Approx 50 people on the waitlist and 50 on the communication list. Different sports are coming. Interest from a fencer.
  - Female hockey skills program coming in for next year.
  - Presentations for grade 10-12 from MADD. And a social media presentation for 8,9's in May. Looking to do a safe sport session. More to come on that.
