When the Mountain Bike Park is open (late June), a valid pass/ticket is required to access the park, and that can only be done during operational hours (will be posted on WinSport's website). Please remind students that they must abide by all posted trail and hill road closures at all times, and that they may not utilize the mountain bike trails to commute between the top of the hill and the bottom of the hill unless the following conditions are met:

- The mountain bike park is operational and open to the public
- Students wishing to use the trails hold a valid bike park day ticket or seasons pass
- Students wishing to use the trails abide by ALL bike park rules

Any person who accesses the park without a pass or outside of operational hours will be considered a trespasser.
