May 6th Course Planning Day:

Teacher Advisors will be scheduling meetings with returning and new students on **Tuesday, May 6th**. The purpose of these meetings is to review the students' course selections for the upcoming 2025-2026 school year and discuss their post-secondary goals. Any necessary adjustments will be made to ensure that the students' course selection aligns with their academic and post-secondary aspirations. Although students initially selected their courses in early March, it is beneficial to revisit these choices together. Therefore, we ask that student-athletes and a parent(s) attend the meeting. Each Teacher Advisor will be contacting parents via email to coordinate a meeting time before **Thursday, April 24th**. Thank you for your ongoing support throughout this process.
