

STRIVE SPOTLIGHT

NATIONAL SPORT SCHOOL ALUMNI CONNECTION

OCTOBER 2025

ISSUE 1

Support  Teamwork

Respect  Integrity

Vision  Effort

WHAT'S NEW AT THE NATIONAL SPORT SCHOOL

In the fall of 2024, students and staff at the National Sport School started to embrace the values of "STRIVE." It inspires support, teamwork, respect, integrity, vision and effort.

As a school community, we share these values through our Teacher Advisor groups with students every Tuesday. It's also part of their wellness education, helping to inspire and build strong character in student-athletes who want to excel. The NSS Wellness Team leads the charge in developing relevant resources to support our "Culture of Excellence."

OUR 30TH CELEBRATION WAS AMAZING! THANK YOU!

On May 15th, 2025, WinSport held a special event to mark 30 years of excellence in academics and sport. It was a wonderful evening filled with good company, support, and reconnecting. Lisa Bowes, a well known media personality, hosted. She helped bring out stories from Gilmore Junio (2008), Justin Pasutto (2006), and Brady Leman (2004) about their time at the National Sport School. More than 225 people, including current and former students, families, staff, and friends, joined to celebrate, connect, and enjoy the festivities. It was a fantastic way to honor this important milestone.

BECOME A CHAMPION

The National Sport School wants to build a better relationship with our alumni. If you'd like to help us connect with other alumni, share an idea, mentor an athlete or support the school's future, please send an email to nss_alumni@pallisersd.ab.ca.
